

# RECIPE: Make Ahead Apple Pie

## *cooking directions*

**Step 1:** Preheat oven to 350.

**Step 2:** \*Remove apple pie from freezer and let sit out to thaw until cook time (1-3 hours).

**Step 3:** Uncover pie. Optional: egg wash the crust before setting in the oven, (Egg Wash: Crack an egg, whisk the egg and brush onto top pie crust).

**Step 4:** Cook in a preheated oven for 50 minutes.

**Step 5:** Remove from oven and let cool until ready to serve. Delicious both hot and cold! Don't forget the vanilla ice cream on the side.
